AMEND Senate Bill No. 250

House Bill No. 59*

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 62, Chapter 6, Part 1, is amended by adding the following language as a new, appropriately designated section:

(a) As used in this section "welding work" means welding performed by a welder who is certified by a national organization to perform welding work in accordance with the appropriate industry certification standards in one (1) of the five (5) following areas:

- (A) Power piping;
- (B) Fuel gas piping;
- (C) Gas transmission and distribution piping;
- (D) Process piping;
- (E) Liquid transportation systems for hydrocarbons, liquid petroleum gas, anhydrous ammonia and alcohols;
- (F) Chill water piping; and
- (G) Steam piping.

(b) Any contractor or subcontractor who employs or utilizes a welder to perform welding work in an industry classification identified in subsection (a) shall keep on file, for a minimum of one (1) year following the completion of the project, documentation indicating that the welder who performed the welding work was, at the time the work was performed, certified by a national organization to perform such work.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it, and shall apply to all projects requiring welders to whom this act applies on or after the effective date of this act.
